# September

## Use your GSCB Program Passport to make the most of your Girl Scout year!

The GSCB Program Passport is back. Look out for yours in your mailbox this September! We've made some slight adjustments from last year:

- Instead of a booklet, the Passport Card is easily stored in a wallet, handbag or on a lanyard.
- Troop Leaders, Service Unit Managers, and GSCB Staff are now able to check off activities for you.
- Checking off activities is as easy as punching a hole, marking with a permanent marker, or using a small sticker of your choice.
- Complete at least 6 activities for a prize. Complete all 12 for an upgraded prize!
- The Older Girl Leadership Express Pass gives more experienced girls opportunities to hone their leadership skills.

## Program on the Move

Your troop, Service Unit, or group of Juliettes can experience hands-on Girl Scout programming, led by our awesome GSCB Staff, **FREE** and at the location of your choice! Choose from exciting program topics like Circuits, Robotics, Art Exploration, Content Creation, Improv, and more! Plus, all Girl Scouts who participate in a Program on the Move experience will receive a Program on the Move patch. Reservations for the fall will open 9/1/23. Visit [www.gscb.org/potm](http://www.gscb.org/potm) to learn more.

## GSCB Fun Patch Programs

Looking for a fun patch program exclusive to GSCB? Look no further - we have what you're looking for:

- **Discover Delmarva** - Explore the Delmarva Peninsula the Girl Scout way by learning what makes our area unique, exploring the flora and fauna you might find across the peninsula, and practicing your outdoor skills.
- **Moon Mayhem** - The outdoors after dark? It's not as spooky as it sounds, especially when you're with your Girl Scout sisters. Discover the different full moons for each month of the year and complete an activity that goes along with it.
- **New this year! GSCB State Parks Expert Patch** - We're taking the "Girl Scouts Love State Parks" mindset and keeping it all year long with our new GSCB State Parks Expert Patch program that encourages Girl Scouts to get outside their comfort zones and visit state parks near or far.

- **New this year! Adventurer Patch** - Showcase your outdoor progression by completing the full Adventurer Patch Program. Purchase your Adventurer patch center during registration for any Adventurer event, and earn the Overnight and Weekend add-ons by attending an Adventurer Overnight and an Adventurer Weekend. Complete the requirements for making your own Adventurer Day on your own, and purchase the Day add-on to complete the set.

## V.I.C. (Very Invested Camper) Program

The V.I.C. Program is BACK for it's fourth year!! The popular outdoor program gives Girl Scouts who are most dedicated to outdoor experiences four exclusive outdoor events, opportunities to give their input on outdoor and camp programming, free SWAG, and a quarterly newsletter chock full of activities, outdoor facts, and more.

All levels are welcome! Enrollment is open September 1st - November 30th. Cost is \$25/yr. V.I.C.'s must have an active 2023-24 Girl Scout Membership at the time of enrollment to be eligible. Learn more at [www.gsccb.org/specialinterest](http://www.gsccb.org/specialinterest).

**Enroll as a VIC now thru Nov. 30th!**

## Highest Awards

Only a select number of Girl Scouts each year can celebrate earning the highest level award for their program level - the Bronze, Silver, or Gold Award. Will you be one of them this year? Taking on a highest awards project is a significant commitment, but trust us, creating a sustainable impact on your community and addressing a problem you feel passionate about is SO worth it!

Highest Awards are available to Girl Scout Juniors through Ambassadors. Learn more at [www.gsccb.org/highestawards](http://www.gsccb.org/highestawards).

## Travel the World with Girl Scouts

GSCB has two volunteer-led travel groups - the GSCB Trailblazer Travel Group (AKA Troop 280) and the Older Girl Travel Group (AKA Team Flamingo) - that give your Girl Scout the opportunity to see the world! These groups challenge girls to fundraise and set goals towards travel beyond their current troop participation. Some recent destinations of these groups are Switzerland, London, Paris, Italy, and Greece. Girls must be 14+ to participate.

## Adventurer Weekend

Where will your adventures in the outdoors take you this time? How about beautiful properties where the potential to connect with nature has no limit. Join your Girl Scout sisters as they boldly try their hand at new skills like archery and slingshot, feel the magic of an evening campfire, and reinforce friendships through team building activities. Fuel up for the weekend activities with provided meals: Friday evening dessert, all Saturday meals, Sunday breakfast, and snacks. Plus, you won't leave without a reminder of everything you've learned, and all the fun you had. Earned badges are included in your program fee! All Girl Scouts will earn parts of their Trail Adventure badge, as well as their Eco series badge. Be prepared. Check out our suggested packing list ahead of time. If you're attending as a troop, you must be in ratio! Individual Girl Scouts are invited too! Solo girls must attend with a guardian, all participants (child and adult) must be registered Girl Scouts, and all adults must have passed a background check. All GSCB Outdoor Overnight programs held November 1st through April 16th will sleeping in a lodge. Lodges have electricity, heat/air conditioning, running water, flushing toilets, showers, and mattress either in bunkbeds or on the floor. Rustic adirondacks or canvas tent units have small sleeping units of four in cots or wooden bunk beds. The campsite with multiple sleeping units will have running water and flushing toilets. Showers are located nearby. Juniors and above are welcome. | \$50

**Heads up for Troop Leaders:** Our Adventurer Weekends are an awesome way for new volunteers to get acquainted with our camp properties, gain understanding of what is needed to lead a successful weekend with girls in the outdoors, and experience camp themselves without the pressure of planning. After you attend an Adventurer Weekend, you're bound to feel so much more confident about reserving a property and planning a weekend for your troop on your own!

## Adventurer Overnight

Hear that? The outdoors are calling for you...and they say its SO easy to have an amazing time outside at an Adventurer Overnight! Troops and individual Girl Scouts alike are invited to explore one of our camp properties or local state parks with us. Get in the weeds (literally) of nature exploration, try a new outdoor skill like archery or slingshot, snuggle up and sleep tight in cozy tents or cabins, then say "Sayonara!" - at least until next time! Outdoor activities depend on property availability, weather and other factors. We know girls with full bellies can better focus on the fun, so we're including evening dessert, breakfast, lunch, and an afternoon snack. Plus, all girls will earn their Environmental Stewardship badge (Junior Eco Camper, Cadette Eco Trekker, Senior Eco Explorer, or Ambassador Eco Advocate). | \$25
