New Leader Onboarding (Not just for New Leaders!)

Calling all Leaders! Have you heard about our New Leader Training Series in gsLearn? This is a collection of valuable trainings that have great information to get a Leader started on their journey. If you are a New Troop Leader, these Learning Paths will be a required part of your onboarding. If you're not a new leader, these courses are a great refresher.

- New to gsLearn? As a Member of GSCB, you can access any required trainings and all of the great content available to you on gsLearn via your MyGS account! Check out our short video tutorial "[How to Access gsLearn](#)".

How to Access gsLearn

Volunteer Toolkit (VTK) - New features!

As you get ready to plan your Girl Scout year, we want to share these exciting changes to the Volunteer Toolkit!

- Troop Product Program Champions, both Fall and Cookie, now have access to the full details of the My Troop Tab so that they have easy access to troop member information to use during their respective programs.

- GSCB has launched the VTK Finance Tab which will be utilized beginning October 1st to help troop track finances throughout the year, submit an annual Troop Finance Report, and support financial transparency between troop leaders and caregivers.
- **Are you new to VTK?** - VTK is a digital resource that supports volunteers in delivering the Girl Scout Leadership Experience and Juliettes (individually registered girls) in managing their own experience with their caregiver, ensuring every Girl Scout has the opportunity she deserves to build a lifetime of leadership, success, and adventure.
 - ▶ The caregiver view for troops, leaders and caregivers can communicate easily about upcoming meetings, what girls will be doing/learning, attendance and any help needed for the troop meeting.
 - ▶ Want to learn more about using VTK for your Troop or Juliette? Check out these trainings in gsLearn today:
 - * GSUSA 2022 New and Updated Program
 - * GSUSA Volunteer Toolkit - Caregiver View
 - * GSUSA Volunteer Toolkit - Individual Registered Girl (IRG) Caregiver View

Recruitment Readiness

As volunteers, you are an important part of getting more girls involved in Girl Scouts. By opening your troop to new girls, sharing your experience with Girl Scouts with your friends and family, volunteering to represent GSCB at local events, hosting your own recruitment events, etc., YOU are the key to a successful recruitment season.

- Sampler Troops - A popular way to introduce Girl Scouts is to host a sampler troop. After a set number of meetings with both girls and caregivers, the goal of the sampler troop is to convert into a traditional troop. If successful, caregivers will step up to become troop volunteers after seeing the role demonstrated first hand, or GSCB and the volunteers running the sampler troop will have recruited other adults to lead the troop. If you're interested in learning more or hosting a sampler troop, contact your Volunteer Support Specialist.
- Recruitment Resources for Service Units:
 - ▶ Service Units can use the [Service Unit Recruitment Supplies Request Form](#) to get marketing materials like flyers, giveaways and more to support their recruitment or community events.
 - ▶ NEW!!! Service Unit Lead Forms and QR Codes: To improve our follow up and placement of future Girls Scouts, each Service Unit has been issued their very own SU Lead form to capture information at recruitment events, as well as a QR Code image to include on flyers and signage at events! Connect with your Volunteer Support Specialist for more information.
 - ▶ Recruitment supplies available now on ShopGSCB - including heavyweight fabric tablecloths, pop up signage, wheeled totes, yard signs, volunteer t-shirts and bookmarks! Visit [ShopGSCB](#) to shop now.
 - ▶ GSCB has refreshed the evergreen recruitment flyers for both younger and older girls on the SU Central Page: [Younger Girl](#) | [Older Girl](#) to include an area where you can now upload your new QR Code directly to your flyer! (Be sure to download/open in Adobe for best functionality!)

Data Quality

To support the migration to gsEvents and drive accuracy in our troop data, we'll be making changes to troop accounts related to grades accepted. Any troop who previously had grades

accepted that differed from the current grades of their troop members have been pulled into alignment to only reflect the grades of their current members.

Why? Being open to this many levels can be misleading to prospective members searching for a troop. Additionally, gsEvents is structured, by GSUSA, to only show events applicable to the levels of your troop and household members. Therefore, by having only Brownies but being listed as accepting grades K-3, you would also see Daisy events – creating noise in your event searches and giving a false impression of events available for registration. You are still able to see all events via the events calendar on our website or in gsEvents when you are not actively logged in to your myGS.

This change gives us a clearer picture of our troops and supports more intentional recruitment efforts and thoughtful placement of Girl Scouts.

If your troop was affected by this, we have not lost your commitment to making Girl Scouts available to all girls and have captured elsewhere on your troop profile that you are open to girl members at other levels not currently in your troop.

GSCB Board Approved Recognitions

Board Approved Recognitions are an esteemed way to recognize your peers that leave you in awe. Volunteers nominated for these recognitions are gamechangers, not just for their Troops but also for their Service Unit and maybe neighboring SU(s) too!

- Review the recognitions and understand their requirements using the [GSCB Volunteer Appreciation and Recognition Handbook](#).
- Submit nominations via the [GSCB Board Approved Recognition Nomination Form](#).
- Submit required endorsements through the [GSCB Board Approved Recognition Endorsement Form](#).

All nominations and endorsements are due by December 31, 2023.

NEW/Updated Animal Badges!

Nature, the environment, and the fascinating creatures that inhabit them hold significant importance for Girl Scouts. Recognizing and prioritizing the deep affection girls have for animals and the outdoors, resulted in the optimization of the Animals program in 2022 with an updated Brownie Pets badge. In 2023, we are expanding our Animals program by adding a Daisy badge (Animal Observer) and modernizing our Junior (Animal Habitats) and Cadette (Animal Helpers) badges to provide Girl Scouts with even more valuable experiences to better aid them in understanding how animals shape our world.

Girl Scout Convention

In July, our four National Delegates will be traveled to Orlando, Florida for the 56th National Council Session and Girl Scout Phenom, where delegates from every council across the nation and USA Girl Scouts Overseas meet to discuss, debate, and vote on issues important to the Girl Scout Movement, and elect national leaders for the next triennium. [Check out photos from their adventures!](#)

You can read about the National Council Session Actions Taken on our [Governance](#) page, or join our National Delegates on a call to discuss National Council Session and the results on (DATE). Our GSCB National Delegates can't wait to share their experience on that call, but until then, here's a few of their thoughts:

Governance Page

Ellie Davis: "Going to the 56th National Girl Scout Convention was extremely eye opening and moving for me. As I walked around the convention center, I met Girl Scouts young and old from all over the country (and overseas) with uniforms covered head to toe in badges. Seeing the involvement of thousands of girls, hearing stories of their accomplishments and community impact, and sharing stories about swaps, really proved to me that everyone has a place in Girl Scouts, and how important it is for us to keep supporting the movement."

Tracie Bruno: "The 56th National Council Session has ended, but the memories, and inspirational moments are with me forever.

The democratic process was fully utilized, where each delegate had an opportunity to speak and be heard, before we came together as a group to vote on proposals. I was especially impressed with the girl delegates, who were a little reserved at the beginning of the session but were full of confidence and passion as the spoke on proposals that were dear to their hearts. While the business was serious, the breaks allowed us to meet Girl Scouts from across the world, exchange swaps and stories, and feel pride in being part of the Girl Scout movement."

Denise Matz: "It was a great honor to attend the National Council Session as a delegate for our council.

I was so impressed with the girl delegates and how they spoke and handled themselves in a room of 900 people! I really enjoyed talking to other volunteers from around the world. It was a great experience that I would love to repeat!"

Heather Burket: "The National Council Session was a heartwarming and motivating experience to be a part of. I witnessed Girl Scouts of all ages participating in leadership opportunities at developmentally appropriate levels and experienced the opportunity to see public speaking skills flourish in the teen delegates whom felt passionate enough to represent their and their councils beliefs

about the proposals for change. It was exciting and sometimes daunting to see parliamentary procedure at work, but it was effective and most left the meetings content with the fairness of our collective decisions. I was also motivated and comforted after meeting and speaking with some of the incoming board of directors and leadership of GSUSA. I had the pleasure of participating in some Girl Scout fellowship and traditions during Phenom and NCS that brought feelings of positive GS nostalgia to me, which were extra special while shared with my daughter, a 3rd grade Brownie who also attended Phenom for a day. Both my daughter and I came home invigorated for the new GS season, with ideas to share with our troop, Service Unit, and council; memories to last a lifetime; and excitement for future involvement in the GS movement."

Event and Program Financial Assistance - New this year!

We believe finances should never stand in the way of a girl experiencing all Girl Scouts has to offer. Thanks to generous funding, we will be able to provide Financial Assistance for girls who need it to participate in programs and events with cost associated up to \$120.00 per girl. This financial assistance opportunity will be available Oct. 1st, 2023 - June 30th, 2024, or until the funds are used up.

For more information about Event and Program Financial Assistance, visit our [Event Calendar](#).

Summer Camp Recap

Summer is OVER! We can't believe how fast it went, but we'll cherish the memories we made at Overnight and Day camp forever and ever. This year, 70 campers joined us at Overnight Camp at Camp Todd and 171 campers joined us for Day Camp at Camp Country Center.

Check out this quote from an overnight camper's caregiver that really gave us goosebumps!

"[She] had the best time. She loves it so much. I hope to send her next summer for two weeks. [She] has had a tough year and this wasn't just restorative, it gave her hope that life can be fun again."

Making a positive impact on girls is what it's all about! Thank you to all of our volunteers who helped spread the word about summer camp and encouraged their Girl Scouts to join us this summer. We can't wait to see you all next year!
