 Girl Scouts of the Chesapeake Bay

There's a reason the Girl Scout Cookie Program is a beloved family tradition. It's fun for everyone!

Each year, Girl Scouts can earn the Cookie Entrepreneur Family Pin for their program level. Earning this pin allows families to support girls as they learn to think like entrepreneurs and guide them as they run their own cookie business year after year. Learn more at [girlscouts.org/entrepreneurfamily](https://www.girlscouts.org/entrepreneurfamily).

Gift of Caring

Did you know that your Girl Scout can sell cookies while giving back to her community? Participate in the Gift of Caring program (previously Operation Taste of Home) by asking customers to donate boxes of cookies. At the close of the program, donated cookies are delivered to local organizations like food pantries, fire departments, etc. and active military personnel. It's also a great option for those who can't or don't want to indulge in sweet treats!

Gear up for Cookie Booths!

Your Girl Scout cookie style will wow your customers. Scan the code to stock up on Girl Scout Cookie merchandise early.

The Digital Cookie Difference

Girl Scouts who sell via Digital Cookie are proven to sell more cookies and reach their goals faster than girls who don't use Digital Cookie!

With Digital Cookie, girls can:

- Gain essential business & social skills in a fun and engaging way.
- Invite cookie customers to easily order and pay for cookies online and through their personalized site.
- Personalize their cookie site, play interactive games, watch videos, enjoy printable activities, send and receive "Cheers" with their troop members and more.

Complete the activities to find each letter of the "cookie code" - enter your code online for a chance to win the Axoltl plush!

Cookie Connect

Connect the Axolotl to her favorite Girl Scout Cookie to find out letter #15!

Axolotl Answers

Use the clues below to fill in the crossword puzzle.

Across

- Feathery appendages on the side of the axolotl's body
- Lake in Mexico that is the only place axolotl's can be found in the wild
- An animal that eats meat
- Number of teeth an axolotl has
- Axolotl uses gills and these organs to breathe

Down

- Axolotl's are a species of this amphibian
- Axolotl's use this technique to change their colors to better hide from predators
- Axolotls are considered this because there are only approximately 1,000 left in the wild, and they will possibly go extinct without conservation efforts
