

Philadelphia Zoo Badge Program

* Program starts at 10:00am

Wildlife

Plants and Animals

Daytime Workshop: Call to schedule for next year. Fee: \$22.00 includes Zoo admission

Have you ever stopped to think about how important plants and animals are to the lives of people? The Plant and Animal Badge Workshop at the Philadelphia Zoo will include activities that explore animal classification, discuss and demonstrate animal training, and allow for some creativity as well. Search the zoo for animals with big ears, long tongues and other great adaptations.
