Girl Scouts®

Celebrating a Decade of Distinction

Girl Scouts

Girl Scouts of the Chesapeake Bay Council is proud to celebrate the 10th anniversary of its signature event, *Women of Distinction*. This incredible evening will commemorate the traditions and values of Girl Scouting, honor Girl Scout alumnae who have become extraordinary leaders, and charge the new generation of Girl Scouts to discover themselves, connect with other Girl Scouts and take action to make the world a better place.

According to the Girl Scout Research Institute, 82% of high-achieving alumnae believe their involvement in Girl Scouts influenced their success, and 64% of today's women executives/leaders have taken part in Girl Scouts. These statistics affirm that Girl Scouts builds girls of courage, confidence and character who make the world a better place.

Juliette Gordon Low, founder of the Girl Scouts, once said "The work of today is the history of tomorrow, and we are its makers." As we celebrate *A Decade of Distinction*, we are reminded of how generous and dedicated sponsors have helped to "make the history of tomorrow" by improving the lives of girls and young women in Girl Scouting.
