

**An Annual Recognition of Quality Girl Scouting
For Girl Scout Daisies, Brownies, Juniors, Cadettes,
Seniors and Ambassadors**

The **Super Troop** Award Program is designed to promote membership and retention in Girl Scouting and to encourage Leaders, families and girls to work in partnership to achieve well-balanced program activities and community service.

All grade levels may participate in the **Super Troop** Award Program.

This Patch Program is based on Troop participation, rather than individual girl achievement. If the Troop completed the activities, individual girls are not excluded because they missed one or some of the activities.

The program year begins **October 1, 2011** and ends **September 30, 2012**. Requirements cannot be carried from one year to the next. A Troop, group, community or GSCB activity or event can be used to satisfy only one requirement.

An activity cannot be used to fulfill more than one Super Troop requirement.

This patch may be earned annually, if the requirements are met each year. (Girls participating for the first time will receive the patch, for girls who have the patch they will receive segment year patches for every year of participation).

Troop Leaders will receive Super Troop patches approximately three weeks after the order is placed.

Upon completion return entire application packet along with payment for patches. **Deadline: Sept. 30, 2011.**
