Three Keys to Leadership: Discover, Connect, Take Action

Lead The Way !

SERVICE TEAM CONFERENCE

A team building experience that will help the Service Teams identify and develop the tools and resources necessary for today's volunteers and more importantly meet the needs of today's girls. Together we can *Lead the Way* for our girls and volunteers.

FRIDAY NIGHT ACTIVITIES

The 2012 Girl Scout Jamboree Committee will be meeting. If you would like to learn more about this event or would like to help, stop by the registration table and we can let you know where the committee will be meeting.

We will be offering one workshop on Friday evening from 7-9 pm. Our speaker will be *Arthur Wynn* from the Office of the MD Attorney General, Criminal Division-Gang Unit. Come and learn how gangs are affecting our communities and more specifically our girls. It is a thought provoking conversation, one you should not miss.

Of course, no Girl Scout conference would be complete without games. Check at the registration table and we will tell you where you can find a game of *Spoons*, *Train*, or something equally fun.
