Dear Girl Scouts,

Every year I continue to be amazed by the wonderful ways you change the world. Each one of you is a G.I.R.L. (Go-getter, Innovator, Risk-taker, Leader)™. Every time you help a friend, speak out in class, work on a Take Action Project, earn a badge and so much more—you are showing the world that you’re a G.I.R.L.

We have so many fun and exciting activities and programs for you this year, including programs that incorporate our new STEM Journeys! I hope our Juniors, Cadettes, Seniors and Ambassadors are thinking about earning their Girl Scout Bronze, Silver and Gold Awards!

Yours in Girl Scouting,

Anne T. Hogan, CEO, Girl Scouts of the Chesapeake Bay

Program Registration Information

ACTIVITY REGISTRATION INFORMATION

Use this guide to...
READ ... review the dates, times, fees and activity descriptions.
SELECT ... the activity you would like to attend.
REGISTER ... individually or as a troop—check each activity for more information, then register accordingly.

Events are not just for troops! Girls can attend events on their own.

How do I pay for the event?
Payment is due at the time of registration. We accept troop debit cards, Visa/MasterCard/Discover/American Express credit cards, and checks. Cash may be dropped off at the Northern Resource Center or Peninsula Resource Center.

Any registration received after the closing deadline (14 days prior to the event) will incur a late fee for EACH participant listed. The fee schedule is as follows:

- Event cost $0-$10 fee is $1 per participant
- Event cost $11-$20 fee is $2 per participant
- Event cost $21-$40 fee is $4 per participant
- Event cost $41 & over fee is $6 per participant

Late fee payments do not guarantee entry.

Confirmations
Once you are registered, a receipt will be sent via email (troop leaders will receive confirmation for troop registrations). Confirmations will indicate whether you have been registered for the event or on a waiting list. If a program is not filled by the closing date (14 days prior to the event), it may be cancelled and notifications will be sent via email.

Adult Supervision Requirements
A minimum of two registered and background checked adults (unrelated) must accompany every troop to a program activity, unless otherwise noted in the event description. Please consult Safety Activity Checkpoints or Volunteer Essentials for exact ratio information. Individually registered girls must be accompanied by one adult. When a program specifies that adult attendance is not required, a medical release form and parent permission slip must be provided to the program leader. Our primary goal is to provide quality programming to girls. As a result, there may not be space available for additional adults above the stated ratio.

Sample Activity Listing
Here’s a sample activity listing, which explains the information published for each activity. This paragraph contains a brief description of the activity. If you have questions, please email membercare@cbgsc.org or call 800-341-4007.

who The grade levels that can attend the activity
when Date and time of the activity
where Activity location, address
fee The cost per girl. If there are additional costs for adults, siblings and other extra guests, it will be listed here. You must register for all activities, even those without fees.
registration Follow the instructions to register for the program. If nothing is listed, registration is being handled by GSCB. Please use Event Registration Form (PM-215) found in the Forms section at gscb.org. The same form is used for troops and individual girls.
note Any additional information, such as extra supplies, arrival times, appropriate attire can be found here.

Cancellation and Refunds
Events are held rain or shine unless inclement weather would adversely affect the program. In those cases, participants will be notified of cancellation and/or rescheduling of programs. If GSCB cancels an event for any reason or cannot place participants in the event of their choice, GSCB will issue a complete refund of the registration fee. If the minimum number of participants is not met 14 days prior to the program date, unless otherwise noted, the program will be cancelled. Cancellation and refund requests must be made in writing. 30 days written notice is required to receive 50 percent of registration fees of $750 or more per individual. No refunds will be issued if less than 30 days written notice is given, unless for medical reasons. Refunds for medical reasons will only be processed if notification is made before the event or within one week following the event, accompanied by a doctor’s note. No refunds will be issued for individuals who do not show up for their scheduled event. The $25 membership and $15 council service fee are non-refundable.

Financial Assistance
Financial assistance is available for registered Girl Scouts who would otherwise be unable to attend individual programs, council-sponsored activities and camps. Financial Assistance is available for all Girl Scout events unless otherwise noted. For more information, please email membercare@cbgsc.org or call 800-341-4007.

Patch Program
GSCB has a variety of patch programs to enrich and supplement the group experience with fun opportunities to Discover, Connect and Take Action. Visit www.gscb.org for specific information about these patches.

**DID YOU KNOW?**

When girls participate in the Fall Product Program and the Girl Scout Cookie Program, they are learning invaluable skills that they will take with them:

1. **Goal Setting**
   Girls set program sales goals with their troop and create a plan to reach them.

2. **Decision Making**
   Girls develop a basic business plan for program sales and work as a team to decide where and when to sell cookies and what to do with the money they earn.

3. **Money Management**
   Girls develop a budget, take orders, handle customers’ money and gain valuable practical life skills.

4. **People Skills**
   Girls learn how to communicate effectively while participating in both programs.

5. **Business Ethics**
   Girls are honest and responsible during every step of the sales process.

Altogether Awesome!
Volunteer Training

Adult volunteers are the essential people who unlock the keys of leadership for our girls in the Girl Scout Program! The Girl Scouts of the Chesapeake Bay is committed to fully preparing and supporting the women and men who volunteer their time to help girls become the best leaders they can be.

## CABIN CAMPING
Cabin Camping is an online course that will help guide you through the processes needed to plan, experience and evaluate a simple overnight experience for your girls in either a lodge, cabin or hotel location. This course will not prepare you to build fires or cook using anything other than a range, stove or microwave. For camping that involves fire building and other cooking methods, you will need to take Camping Basics or Troop Camp Training. Cabin Camping training is located in the Volunteer Tool Kit on www.gscb.org.
The Family Partnership Campaign allows you to partner with Girl Scouts of the Chesapeake Bay and ensure that Girl Scouting is available to all girls. The tax-deductible contributions made through Family Partnership Campaign remain on the Delmarva Peninsula.

This year, all funds generated through Family Partnership will go directly to camp! Your family, service unit, or troop can designate your contribution to Camp Country Center, Camp Grove Point, Camp Todd, or Camp Sandy Pines. All contributions will support camp improvements and ensure that our camps remain safe, maintained, and have a variety of program opportunities.

We know that when you invest in girls, you are changing the world, because when girls succeed—so does society. Every gift matters.

   C) Forget planning—let every day be its own adventure!
   D) Show friends or family around places you love but they haven’t seen before.

2. At school or work, you’ve struggled with:
   A) Turning in assignments when time’s up. You want everything to be perfect!
   B) Daydreaming. Sometimes you just get caught up in your own thoughts.
   C) Remembering to read the directions. You usually want to just dive right in!
   D) Talking too much, even if it’s about the assignment you’re working on!

3. Your favorite video games:
   A) Challenge you! You want to work for that high score.
   B) Feature cool new technology you can test out and play with.
   C) Let you switch up scenes and characters as much as you want.
   D) Are the ones you can play with other people as a team.

4. As far as books go, you love:
   A) Nonfiction. Who needs fiction when there’s so much in real life to learn about?
   B) Sci-fi or fantasy. Books that aren’t like everyday life help you see things differently.
   C) Mysteries and thrillers. It’s exciting to never know what’s going to happen next.
   D) Stories about relationships. Families and friendships are the best things in life!

5. When there’s a karaoke machine at a party, you:
   A) Sing the same song every time. You’ve practiced it, so you can hit every note!
   B) Tend to perform as a “backup dancer.” So many ways to bring the fun!
   C) Play “dare-oke” and have your friends pick songs for you that you’re scared to sing.
   D) Pick a song that you know another, more reserved girl might want to sing with you.

6. If you worked for NASA, you’d want to:
   A) Start a program to get even more girls and women involved in space exploration.
   B) Invent new, faster methods of space travel and ways to gather data.
   C) Go out in space! How cool would it be to see Earth from the moon?
   D) Run the Mission Control Center, which handles any problems a space mission might encounter.

7. For Halloween, you:
   A) Spend weeks thinking of and shopping for a perfect costume. Your look will be on point!
   B) Make your own costume. It’ll be just how you want it and you’ll save money to boot.
   C) Dress as your favorite, but not that famous, character. Who cares if anyone else “gets it”?
   D) Coordinate a group costume with your friends so that everyone’s in on the fun.

8. Your room is decorated with:
   A) Posters of your idols—all the athletes, artists, and others who’ve achieved your dreams.
   B) Lots of artsy stuff. Collages, paintings, and even images of space are inspiring to you.
   C) Different stuff all the time! You’ll put things up, only to get into new things and redecorate.
   D) Pics of you and your girl squad. You and your friends are inseparable.

9. When it comes to exercise, you:
   A) Stick to the same sport—you’re just about to perfect that jump shot!
   B) Make up a twist on whatever sport you’re playing. New rules keep things fun!
   C) Are always trying something new. Switching things up keeps it interesting.
   D) Love cheering on your friends when they beat their own best time or high score.
