Did you know landscape is a type of art genre? Natural scenery such as mountains, valleys, trees, and rivers are all landscape objects in a painting or in art.

Steps:

1. Go on a nature walk to look for different color leaves, weeds, flowers and grass. Place them in a plastic bag or on a paper plate.
2. Draw an outline of your landscape on a piece of paper.
3. Fill in- "color"- your picture with vegetation that you collected using glue.
4. Choose a title for your landscape art work.
5. Glue on twigs for a frame.
