

# GSCB Camp Protocol

## COVID- 19 Reopening Guidance

- Any adult or child exposed to a person diagnosed with a confirmed or probable case of COVID-19 may not attend camp, until they have completed self-quarantine following CDC guidelines. Persons who have recovered from COVID-19, must be cleared for release from isolation according to CDC guidelines.
- If any adult or child develops symptoms of COVID-19 during their stay, safely isolate person and place a mask or face covering. Immediately contact the emergency contact to arrange safe transportation to healthcare facility or home, as well as the GSCB Executive Vice President, Suzanne Moore, [smoore@cbgsc.org](mailto:smoore@cbgsc.org) or 302-451-9300.
- Campers older than nine years of age and all adults must wear face coverings.
- Groups must be limited to groups of ten people. Should multiple groups be on site, they may not intermingle and must stay within designated rental areas.
- Campers under five years old and adults over 64 years old, or individuals with underlying medical conditions shall obtain clearance from their primary care physician before attending camp.
- Upon arrival to camp all participants must undergo a brief health screening, including temperature check. Anyone who exhibit signs of illness or elevated temperature of or above 100.4F is NOT permitted to stay.
- Those exhibiting the following multiple signs of illness are not permitted to stay and the protocol stated above must be followed:
  - Fever or chills (flushed or reddened skin)
  - Cough
  - Shortness of breath or difficulty breathing
  - Fatigue
  - Muscle or body aches
  - Headache
  - New loss of taste or smell
  - Sore throat
  - Congestion or runny nose
  - Nausea or vomiting
  - Diarrhea
- Individuals shall maintain 6 feet of physical distance wherever and as often as possible.
- Children and parents shall wear face coverings when campers are arriving and departing.

- Adults will clean high contact area, such as but not limited to, doorknobs, light switches, railings, etc. using approved disinfectants at minimum twice a day.
- All shared sports, game and other camp equipment must be sanitized after each use.
- Prior to and during your stay, remind people of the above precautions, as well as the following recommended guidelines:
  - Cover your cough.
  - Practice recommended regular and routine handwashing practices.
  - Avoid use of items that are not easily cleaned or disinfected.
  - Practice proper use, removal, and washing of cloth face coverings.
  - Ensure adequate supplies of tissues, hand soap, alcohol-based hand sanitizers, household cleaning products suited for the facility.
- During food service you shall:
  - Not use shared items such as serving utensils or condiment containers.
  - Eliminate self-service (buffet-style) food options.
  - Ensure physical distancing for campers waiting for food service.
- Only those restrooms designated in your rental area for your stay are permitted for use.

For additional resources on recommended disinfectants and cleaning supplies as well as general guidelines for COVID-19 etiquette visit the [CDC website here](#).

These guidelines encompass all Maryland, Delaware, and Virginia state recommendations and are to be enforced for all GSCB outdoor experiences. Additional state resources for camp specific recommendations may also be found here: [Maryland](#), [Delaware](#).

If you have additional questions or concerns please email [membercare@cbgsc.org](mailto:membercare@cbgsc.org).

Yours in Girl Scouting,

Suzanne Moore  
Executive Vice President
