Did you know?
At camp we have activities like swimming, boating, archery, arts and crafts and being outdoors. One of our favorite events is camp carnival. Camps are fun and provide games and activities for campers. It’s your turn to plan fun for others. You will need to use items you have at home to create some wholesome family fun.

You can make your own carnival!

Using your imagination and creativity you can entertain your whole family!

Have you said “I’m bored” today? That is problem you can solve! You have lots of time and can make fun for everyone!

What you need:
Paper, Pencil, Space
Any items you can find at home!

Tell us about it: camp@cbgsc.org
Send us a picture of your carnival and tell us how it went, or upload your picture to social media and use the hashtag #GSCBathome!

Steps:
Think—What are your carnival games? Can you play them at home?

Work on your plan—What do you think would be fun to do? Use the planning sheet to design and write your game!

How do you want to invite your family to the event? - You can make a poster or picture, a dinner time announcement, or is there a different way?

Tips:
• Get permission to use household items

Knock ‘em down!

Materials—
Something to knock down (like bottles, cans or cups)
Something to throw (like a ball or rolled up sock)
How do we play—
1. Line up all the items you are going to knock down.
2. Toss your ball and see how many you can knock down.
Possible rules—
You have to close one eye. You have to hold one hand behind your back.
If you want to determine a winner—You can see who can knock all the bottles down the fastest!
OR you can see who can only knock one bottle down!

Can Toss

Materials—
A container (like box or trashcan)
Something to toss (like paper or balls)
How do we play—
1. Line up your container and set a throwing line.
2. Take turns tossing the items into the container.
3. See who can put the most in the container!
Possible rules—
You have to sort recycling and trash as you throw.
You have to stand behind a certain line.

How fast can you sort?

Materials—
Something to sort (like utensils, colored cups or buttons)
How do we play—
1. Mix the whole pile of items together
2. Time yourself and see how fast you can sort them!
Possible rules—
Split the pile in half and race a family member to sort!
