Landscape Art Using Nature

Did you know?
Landscape is a type of art genres. Natural scenery such as mountains, valleys, trees, rivers are all landscape objects in a painting or art.

What you need:
- Collect nature items in different colors
- Pencil and glue
- Index card or 1/2 sheet of paper
- Tweezers to pick up small pieces to place on picture

Steps:
1. Go on a nature walk to look for different color leaves, weeds, flowers and grass.
2. Draw an outline of your landscape picture.
3. Fill in- “color”- your picture with vegetation that you collected using glue.
4. Choose a title for your landscape art work.
5. Glue on twigs for a frame.
