

One Day Events for Girl Scout Brownies & Juniors:

➤ **Saturday, April 17, 2027 – Going Batty Patch for Brownies OR Animal Habitats for Juniors**

- Register Brownies at
<https://fareharbor.com/embeds/book/lincolncavernsandwhisperrocks/items/483047/?full-items=yes&flow=1027599>
- Register Juniors at
<https://fareharbor.com/embeds/book/lincolncavernsandwhisperrocks/items/483051/?full-items=yes&flow=1027599>

Get ready for a fun-filled day of wildlife discovery at Lincoln Caverns!

Brownies will earn the Going Batty Patch as they uncover the important role bats play in nature, burst common bat myths, learn about local bat species, and create a recycled bat craft and educational poster.

Juniors will work toward the Animal Habitats Badge while exploring endangered species, cave habitats, and ways to protect wildlife. Each troop will also build one bat house to take back to its community.

The adventure wraps up with an unforgettable tour of two beautiful crystal caverns!

➤ **Saturday, May 8, 2027 – Letterboxer Badge for Brownies OR Geocacher Badge for Juniors**

- Register Brownies at
<https://fareharbor.com/embeds/book/lincolncavernsandwhisperrocks/items/483047/?full-items=yes&flow=1027599>
- Register Juniors at
<https://fareharbor.com/embeds/book/lincolncavernsandwhisperrocks/items/483051/?full-items=yes&flow=1027599>

Get ready for a day packed with clues, coordinates, and cave discovery at Lincoln Caverns!

Brownies will work toward the Letterboxer Badge as they learn letterboxing lingo, design their own stamps, write and follow clues, and hide a letterbox treasure for others to find.

Juniors will work toward the Geocacher Badge by building GPS skills, learning geocaching terms, creating trade items, tracking Travel Bugs, and searching for hidden geocaches.

Along the way, Girl Scouts will put problem-solving, creativity, and teamwork into action during a hands-on adventure made for curious explorers. The day wraps up with an unforgettable tour of two beautiful crystal caverns!

Girl Scout Brownie Overnights:

➤ **Saturday & Sunday, November 7-8, 2026 – Going Batty Patch & Letterboxer Badge with optional Eco-Friend Badge**

- Register Brownies at

<https://fareharbor.com/embeds/book/lincolncavernsandwhisperrocks/items/483047/?full-items=yes&flow=1027599>

Spend an exciting evening discovering why bats are such important nighttime neighbors! Through games and crafts, Brownies will learn about the role bats play in our ecosystems and explore simple ways we can be better neighbors to these furry friends.

Then, Brownies will set out on a fun-filled letterboxing adventure full of clues, creativity, and discovery. They'll follow clues and directions to uncover hidden treasures, collect stamp images along the way, and design their own unique stamp. Working together, girls will create and hide a letterbox, write clues to its location, and search for other hidden letterboxes during this hands-on team adventure.

Optional: Add even more excitement to your adventure by earning the Eco-Friend Badge. Learn how to build a campfire and master the principles of leave no trace. This journey is packed with fun, curiosity, and teamwork, making it an unforgettable experience. Visit our website at www.lincolncaverns.com to learn more and jumpstart your adventure!

➤ **Saturday & Sunday, April 3 - 4, 2027 - Eco-Friend Badge & Rocks Rock Patch with optional Fossil Fun Patch**

- Register Brownies at

<https://fareharbor.com/embeds/book/lincolncavernsandwhisperrocks/items/483047/?full-items=yes&flow=1027599>

Dig into a rockin' adventure with the Rocks Rock Patch! Brownies will explore the amazing world of geology through hands-on experiments, discover the unique properties of rocks and minerals, bring a rock from home for show-and-tell, and learn the basics of geologic maps through creative activities.

On Sunday, the outdoor fun continues with an awesome cave tour, a nature hike to the campground, campfire-building safety, and a nature game around the campfire. Brownies will also learn about wildlife rehabilitation while working toward the Eco-Friend Badge and building skills for taking care of the world around them. The highlight of the weekend will be touring TWO beautiful crystal caverns! The adventure includes fun workshops to complete badge and patch requirements, "slumber party" style lodging, an evening snack, and a pizza lunch.

Optional: Make the weekend even cooler by adding the Brownie Fossil Fun Patch, where girls will explore fossils and earth history.

Visit our website at www.lincolncaverns.com to learn more and start your adventure!

➤ **Saturday & Sunday, May 1-2, 2027 – Letterboxer Badge & Junior Cave Explorer Patch with optional Eco-Friend Badge**

- Register Brownies at

<https://fareharbor.com/embeds/book/lincolncavernsandwhisperrocks/items/483047/?full-items=yes&flow=1027599>

Get ready for an underground adventure packed with clues, creativity, and cave discovery! Brownies will engage in a fun-filled Letterboxer Badge program, following clues and directions to uncover hidden treasures, collecting stamp images, designing their own unique stamps, and working together to create and hide a letterbox for others to find.

They'll also explore the amazing world beneath their feet while earning the Junior Cave Explorer Patch. Scouts will discover cave animals, learn about karst landscapes, practice caving crawls, and build important cave safety skills during hands-on activities designed for curious explorers.

The highlight of the weekend will be touring TWO beautiful crystal caverns! This adventure includes interactive workshops to complete badge and patch requirements, indoor "slumber party" style lodging, an evening snack, and a pizza lunch.

Optional: Add even more excitement by earning the Eco-Friend Badge. Girls will learn how to build a campfire safely and practice the principles of Leave No Trace. Visit our website at www.lincolncaverns.com to learn more and start your adventure!

➤ **Saturday & Sunday, June 5 – 6, 2027 - Eco-Friend & Going Batty Patch with optional Letterboxer Badge**

- Register Brownies at

<https://fareharbor.com/embeds/book/lincolncavernsandwhisperrocks/items/483047/?full-items=yes&flow=1027599>

Get ready for an exciting evening learning all about everyone's favorite nighttime critters – bats! Bats are super important to our ecosystems, and we'll play games and do crafts to understand them better. Learn how we can be better neighbors to our furry friends during the Going Batty Patch.

On Sunday, dive into nature with a day full of outdoor adventures to earn the Eco-Friend Badge! You'll start with an awesome cave tour, followed by a nature hike to the campground. Learn how to build a campfire safely and play a nature game. We'll also chat about wildlife rehabilitation.

The highlight of your trip will be touring two beautiful crystal caverns. We'll have workshops to earn badge/patch requirements, "slumber party" style lodging, evening snack, and a pizza lunch.

Optional: Add the Letterboxer Badge – Brownies will learn letterboxing lingo, design their own stamps, write and follow clues, and hide a letterbox treasure for others to find.

Girl Scout Junior Overnights:

➤ **Saturday & Sunday, October 10 – 11, 2026 – Ghosts & Goblins with Geocacher Badge**

- Register Juniors at

<https://fareharbor.com/embeds/book/lincolncavernsandwhisperrocks/items/483051/?full-items=yes&flow=1027599>

Get ready for festive Halloween fun as our haunted hosts lead you through Lincoln Caverns! Enjoy games, crafts, and a nighttime haunted trail, then brave three haunted attractions and tour Whisper Rocks to discover the natural beauty of a cave.

On Sunday, jump into the Geocacher Badge program and learn to use a GPS unit to find hidden treasures. You'll build geo-slang skills, track a Travel Bug, create trade items, and take part in a scout-themed geocaching hunt.

We'll take care of the details with slumber party-style accommodations in the visitors' center, plus Halloween treats, Saturday supper, an evening snack, and Sunday lunch. It's sure to be an unforgettable festive fall adventure!

➤ **Saturday & Sunday, November 14 – 15, 2026 - Animal Habitats Badge & Geology Rocks Patch with optional Jr. Cave Explorer Patch**

- Register Juniors at

<https://fareharbor.com/embeds/book/lincolncavernsandwhisperrocks/items/483051/?full-items=yes&flow=1027599>

Get ready for a one-of-a-kind underground adventure! In the Animal Habitats Badge program, girls will explore why animals live in certain habitats and how we can help protect them. They'll learn about cave animals and habitats, create a poster about endangered species, and build one bat house. (one per troop) In the Geology Rocks Patch program, girls will dive into rocks, fossils, and soil through hands-on activities, including making a fossil cast to take home.

The event also includes an engaging presentation on cave conservation, cave animals, and how caverns form. The highlight of the trip is a tour of TWO beautiful crystal caverns. Scouts will also enjoy workshops to complete badge and patch requirements, slumber party-style lodging, an evening snack, and a pizza lunch.

For even more adventure, add the Junior Cave Explorer Patch to learn essential caving safety and the basics of karst topography.

➤ **Saturday & Sunday, April 10 – 11, 2027 – Geocacher Badge & Going Batty Patch with optional Geology Rocks Patch**

- Register Juniors at

<https://fareharbor.com/embeds/book/lincolncavernsandwhisperrocks/items/483051/?full-items=yes&flow=1027599>

Get ready for a memorable underground adventure! Earn your Geocacher badge by learning to use a GPS to find hidden treasures. You'll pick up cool geo-slang, track a Travel Bug, make awesome trade items, and go on an exciting scout-themed geocaching hunt!

With the Going Batty Patch, discover why bats are such amazing neighbors and what we can do to help them. Each troop will even build a bat house to take back to their community!

There will be a presentation about cave conservation, cave animals, and how these incredible caves were formed. The highlight of your trip will be exploring TWO stunning crystal caverns!

Join fun workshops to complete your badge and patch requirements, enjoy a slumber party-style sleepover, an evening snack, and a pizza lunch.

Want even more excitement? Add the Geology Rocks Patch and learn all about rocks, fossils, and soil. You don't want to miss out on all this fun! Check out more details and sign up at www.lincolncaverns.com.

➤ **Saturday & Sunday, May 15 - 16, 2027 – Animal Habitats Badge & Junior Cave Explorer Patch with optional Geocacher Badge**

- Register Juniors at

<https://fareharbor.com/embeds/book/lincolncavernsandwhisperrocks/items/483051/?full-items=yes&flow=1027599>

Get ready for a one-of-a-kind underground adventure at Lincoln Caverns! Juniors will begin with the Animal Habitats Badge program, exploring why animals live in different habitats, how we can help protect them, and what makes cave habitats so unique. Girls will learn about cave animals, create an endangered species poster, and build one bat house to take back to their community.

They'll continue the adventure while earning the Junior Cave Explorer Patch, discovering cave animals, learning about karst landscapes, practicing caving crawls, and building important cave safety skills through hands-on activities made for curious explorers.

This weekend adventure also includes an engaging presentation on cave conservation, cave animals, and cavern formation. The highlight of the trip will be touring TWO beautiful crystal caverns! Interactive workshops help Girl Scouts complete badge and patch requirements, with indoor "slumber party" style lodging, an evening snack, and a pizza lunch included.

Optional: Add even more excitement with the Geocacher Badge. Girls will learn to use GPS coordinates, pick up geocaching terms, track a Travel Bug, create trade items, and take part in a scout-themed geocaching hunt. Visit our website at www.lincolncaverns.com to learn more and start your adventure!

Girl Scout Cadettes, Seniors, and Ambassadors:

➤ **Saturday - Sunday, October 17 - 18, 2026 – Ghosts & Goblins with Explore More Patch**

- Register at <https://fareharbor.com/embeds/book/lincolncavernsandwhisperrocks/items/483717/?full-items=yes&flow=1027599>

Get ready for a spine-chilling adventure as our spooky friends take you on a haunted tour through Lincoln Caverns. Play thrilling games, make cool crafts, and brave the haunted trail at night! You'll even get a fascinating presentation about cave formation, cave life, and cave conservation. Plus, you'll explore the majestic Whisper Rocks to experience the natural beauty of a cave.

On Sunday, dive into the exciting underground world learning about exploration! Learn all about cave expeditions, daring explorers, and essential caving safety. Discover how cave exploration leads to awesome scientific discoveries and connects with many different fields of study.

Sleepover accommodations are slumber party style in the visitor's center, adding to the excitement! And don't worry, we've got you covered with Halloween treats, Saturday supper, evening snacks, and Sunday lunch. Don't miss out on this unforgettable Halloween weekend adventure!

➤ **Friday – Sunday, November 20 – 22, 2026 – Directions Matter & Going Batty Patches**

- Register at <https://fareharbor.com/embeds/book/lincolncavernsandwhisperrocks/items/570042/?full-items=yes&flow=1027599>

Take your navigation skills to the next level with the Directions Matter Patch, covering mapping, geocaching, and letterboxing. Girls will create a letterboxing craft and put their skills to the test during a special geocache hunt.

Explore the fascinating world of bats at Lincoln Caverns while earning the Going Batty Patch. Scouts will learn about local bat species, conservation challenges, and ways to support bat populations, then work together to build one bat house per troop to take back and install in their community.

The weekend also includes a cave conservation presentation, a closer look at cave animals and cavern formation, and guided tours of two crystal caverns.

Hands-on workshops help troops complete patch requirements, with indoor lodging, an evening snack, and lunch-time meals included.

➤ **Friday – Sunday, February 19 – 21, 2027 – Geology Rocks & Going Batty Patches**

- Register at

<https://fareharbor.com/embeds/book/lincolncavernsandwhisperrocks/items/483723/?full-items=yes&flow=1027599>

Get ready for an exciting weekend of bats, rocks, and underground adventure at Lincoln Caverns! In the Going Batty Patch program, Girl Scouts will discover why bats are important to nearly every ecosystem and explore simple ways we can help protect them. Each troop will even build a bat house to take back and install in their community.

During the Geology Rocks Patch program, girls will dig into the world of geology and learn about exciting career opportunities in the geosciences. They'll start their own rock collections while learning to identify rocks and test their properties through hands-on activities.

This event also includes a presentation about cave conservation, cave animals, and cavern formation. The highlight of the trip will be touring TWO beautiful crystal caverns by blacklight! Girl Scouts will enjoy workshops to complete patch requirements, indoor "slumber party" style lodging, an evening snack, and lunch-time meals.

➤ **Friday – Sunday, April 24 – 26, 2027 – Explore More & Directions Matter Patches**

- Register at

<https://fareharbor.com/embeds/book/lincolncavernsandwhisperrocks/items/483730/?full-items=yes&flow=1027599>

Get ready for an exciting underground adventure at Lincoln Caverns! While earning the Explore More Patch, Girl Scouts will dive into the world of cave exploration as they learn about cave expeditions, inspiring explorers, essential caving safety, and the scientific discoveries made possible through underground exploration.

Girls will also sharpen their navigation skills with the Directions Matter Patch, exploring mapping, geocaching, and letterboxing through hands-on activities. They'll create a letterboxing craft and put their skills to the test during a special geocache hunt.

This weekend adventure also includes an engaging presentation on cave conservation, cave animals, and cavern formation, along with guided tours of two beautiful crystal caverns.

Interactive workshops help Girl Scouts complete patch requirements, with indoor lodging, an evening snack, and lunch-time meals included.
