“The workshop was amazing!! I will not do it an injustice by naming a favorite part! Everyone was engaged, scouts were able to move and be involved, we had a scout represent their hard work and community spirit by sharing their Silver Award. All in all it was simply fabulous!! Your team was very helpful! Nothing was left to the imagination.” -Troop 38323

“We were blown away with the workshop, and enjoyed every part of it . It was wonderful to hear from different troops and all the good deeds and work they do in their communities. The team was very quick to respond to all my emails, very helpful and detailed information was shared at each time. We have already shared how amazing this event was with our troop and will be planning to return with more girls next time.” -Troop 100
