Issuing a check

Send a check to a payee directly from the Crowded mobile app.

1

Select Send check

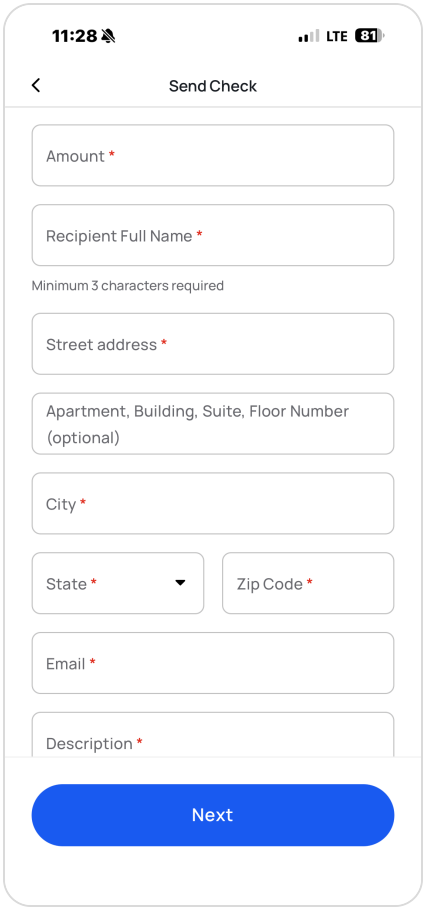

Tap the **+** button at the bottom of the screen, then select **Send check**.

2

Enter the payee's information

Fill in the amount and the payee's name, address, email, and a description. Then tap **Next**.

3

Review and confirm

Check the details, then tap **Confirm**. The amount is deducted from your Crowded account, and the check arrives in 7–10 business days.
