Clarifications

1. There are no processing fees to use Crowded Admin and Expense cards. Collection Card Processing fees only apply when families pay by card through a Crowded collection link — an optional way to collect money.
2. Incoming & Outgoing ACH Transfers are standard banking — for example, moving money between your Crowded account and another bank account. These are free. Collection ACH Processing is different: it only applies when a family pays through a Crowded collection link using their bank account.
