Celebrating Two Camps, One Legacy

June - October 2026

The Girl Scouts of the Chesapeake Bay Council is excited to announce the celebration of two camp milestones in 2026: 75 years of Camp Todd in Denton MD and 85 years of Camp Country Center in Hockessin DE. These beloved Girl Scout Camps have shaped generations of Girl Scouts through outdoor exploration, community, leadership and sisterhood. To honor this rich history we are proud to host a 3-part Leading with Legacy event series.

We invite you, as a valued community partner, to honor the past, celebrate the present, and invest in the future of these beloved camps by sponsoring one or all of the events.
