YOUR YEAR IN

GIRL SCOUTS

2026-2027 Program Guide

Dear Girl Scout Family,

As I begin my journey as Chief Executive Officer of Girl Scouts of the Chesapeake Bay, I am honored to welcome you to a new Girl Scout year filled with opportunities for adventure, growth, and connection. It is a privilege to join an organization with such a rich legacy of empowering girls, and I am excited to share all that our incredible team has planned for the year ahead.

The dedicated staff at Girl Scouts of the Chesapeake Bay thoughtfully developed this program guide with the voices of our girls, caregivers, and volunteers at the heart of every decision. Whether you are just beginning your Girl Scout journey or have years of memories and traditions behind you, I am confident you will find something inspiring within these pages.

This guide reflects our continued commitment to delivering high-quality opportunities rooted in the Girl Scout Leadership Experience. From earning badges and building new skills to forming lifelong friendships and discovering new passions, every program is designed to provide hands-on learning, meaningful connections, and, of course, plenty of fun.

Girl Scout adventures are the best kind. As you gather for your first troop meetings and dream about what you hope to accomplish this year, I encourage you to use this guide as your roadmap to explore new possibilities and create memories that will last a lifetime.

I am thrilled to embark on this new chapter alongside all of you and look forward to seeing Girl Scouts across the *Delmarvalous* Delmarva Peninsula embracing every opportunity to lead, learn, and explore. Here's to an amazing year ahead!

Theresa Young

Program on the Move: *On Tour!*

In the 2026-27 year, we're still bringing the hands-on fun, creativity, discovery, and skill-building you've come to expect from Program on the Move with some changes to our delivery method.

Introducing...

Program on the Move: ON TOUR!

The GSCB Program Team is excited to deliver at least 2 free, staff-led programs to every Service Unit area during the membership year. These programs will be open to Girl Scouts at any program level and from any Service Unit, and the topics will be selected based on the interests and input of youth members within your Service Unit, ensuring each visit is meaningful and engaging.

What's staying the same:

- Girl Scouts will receive a free Program on the Move On Tour patch! One patch per girl, per year.
- No planning for the Service Unit volunteers! A member of our program team will provide supplies and be on site to facilitate the activities. Troop volunteers or caregivers may be required to be on site to meet girl to adult ratios as Program on the Move On Tour events will not be drop off events.
- The majority of Program on the Move On Tour topic selections will meet all or most of the requirements for official Girl Scout Badges. Badges are not provided. However, your group may have the opportunity to pre-order badges for delivery at your program (a great option to skip the shipping cost!).

Visit www.gscb.org/potm to learn more about our Program on the Move On Tour schedule!

***New this year!* The Helen Wronski "Spark" Award**

Our Board of Directors has come together to honor previous Interim CEO Helen Wronski with the establishment of the Helen Wronski Spark Award - an annual scholarship granted to one graduating senior from each of our three association areas who demonstrates exceptional courage and character. A committee of Girl Scouts will design the application and serve as the judges, ensuring the power to recognize leadership stays where it belongs: with the girls.

If you're interested in contributing to the Helen Wronski Spark Award fund, we encourage you to visit www.gscb.org/donate and submit a designated gift or contact our Philanthropy team directly.

Fall Product Program

Why Participate in Fall Product?

The Fall Product Program is an annual event that helps girls set and achieve goals at the beginning of their Girl Scout year by selling products to family and friends like magazines, nuts, and candy. Plus, it's a great opportunity to get ahead on stocking stuffers and holiday gifts for family, friends, teachers, neighbors, and anyone else on your list!

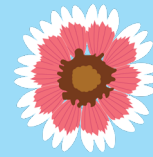

100% of the funds generated from this program go towards helping Girl Scouts of the Chesapeake Bay provide activities and opportunities through Girl Scouting.

How to Participate

- Complete your Product Program Family Agreement and ensure your Girl Scout's membership is registered or renewed for the new Girl Scout year.
- On **September 30th**, sign in online to help your Girl Scout set up her digital storefront. Then, support her efforts to ask family and friends to help her reach her goals throughout the program.
- The Fall Product Program is managed completely online. Order cards will be available for families to print if they choose, but we encourage Girl Scouts to embrace the online sales opportunity. This streamlines the process for volunteers and busy families, and helps us cut down on environmental impact.
