**2025-2026
Program Guide**

Dear Girl Scout Family,

A new Girl Scout year is upon us, and it is my pleasure to share with you what my incredible team has planned. The dedicated staff at Girl Scouts of the Chesapeake Bay have carefully evaluated our program offerings, keeping the feedback of our girls, caregivers, and volunteers at the center of our planning. Whether you're brand new to Girl Scouts or a seasoned veteran, we're confident you will be pleased with the results. Within this guide, you will find a continued focus on providing quality programs that support the official Girl Scout Leadership Experience by meeting badge requirements while engaging girls in hands-on activities, skill-building, forming meaningful connections, and most of all - FUN.

Girl Scout adventures are the best kind. As you attend your first troop meetings and identify your goals for the year, let this guide be your roadmap to making the most of every opportunity and creating the adventure you've been dreaming of.

I am so excited for this new year of programming, and I look forward to seeing each of you out there.

Yours in Girl Scouting,

Ashley Booth
Chief Operating Officer

For the Grown Ups

Your guidance and support makes all the difference when it comes to creating rewarding opportunities for your Girl Scout. Dive right in with this helpful checklist of next steps:

- ❑ **Renew** - If you haven't already, now's the time to complete your membership renewal for your Girl Scout and any other members of your household.
- ❑ **Update your information** - Best practice is logging in to your MyGS account at the start of the year to ensure your contact information and preferences are up to date as well as school and age information for your Girl Scout.
- ❑ **Support Your Troop** - Girl Scouts is a group effort. If you're not already a volunteer, contact your Troop Leader to find out how you can support the troop and spend extra quality time with your Girl Scout.

Program on the Move

We're bringing the hands-on fun, creativity, discovery, and skill-building to you. Get badge-earning programming delivered for FREE by requesting a Program on the Move visit. In its fifth year serving Girl Scouts of the Chesapeake Bay, Program on the Move offers these amazing perks:

- FREE Program on the Move Patch! One patch per Girl Scout, per year.
- No planning for the troop! A member of our Program team will provide supplies and be there to facilitate. All troop volunteers need to provide is a meeting space and enough adults to meet girl to adult ratio!
- The majority of Program on the Move selections will meet all or most of the requirements for official Girl Scout Badges. Badges are not provided. However, Troop Leaders will have the opportunity to purchase badges earned with no shipping cost.
- Program on the Move selections will be based on progression, ensuring that each time you have a Program on the Move visit, your group will get a fresh, new program experience that builds upon the skills they have already learned during past visits.
- Choose between Outdoor or General Program on the Move to get more specific selection options.
- Bookings will be available all months except for June, July and August.
- Minimum number of Girl Scouts per visit is 5. Reach out to us if you are a Juliette or have less than 5 Girl Scouts so we can help link you with another group!

Meet the Program Team!

Your program facilitator will depend on date, location, and availability and may vary from session to session.

Supporting GSCB

Choosing to make a donation to Girl Scouts of the Chesapeake Bay helps us mold tomorrow's leaders by providing ongoing support, resources, and access to further Girl Scout opportunities. Together, we're building a generation of strong, resilient, and empowered young women. Your gift will be used to ensure local Girl Scouts gain the skills and confidence needed to accept challenges, overcome obstacles, and become leaders. Plus, every dollar you give stays right here in our community!

Gifts can be made anytime online at www.gscb.org/donate. You can also support during annual giving days like Giving Tuesday (Dec. 2nd, 2025) and DoMore24 (March 2026), or by participating in a fundraising event.

Fall Product Program

Why Participate in Fall Product?

The Fall Product Program is an annual event that helps girls set and achieve goals at the beginning of their Girl Scout year by selling products like magazines, nuts, and candy. Plus, it's a great opportunity to get ahead on stocking stuffers and holiday gifts for family, friends, teachers, neighbors, and anyone else on your list!

100% of the funds generated from this program go towards helping Girl Scouts of the Chesapeake Bay provide activities and opportunities through Girl Scouting.

New This Year!

Every year, we collect feedback from our members and dig deep into the data from the Fall Product Program to better understand how we can make the program more accessible to families, valuable for Girl Scouts and GSCB, and easy to manage for volunteers. Changes to the program this year reflect those efforts:

- The Fall Product Program will be completely online! Order cards will be available for families to print if they choose, but we encourage Girl Scouts to embrace the online sales opportunity. This streamlines the process for volunteers and busy families, and helps us cut down on environmental impact!
- New reward level added: Membership Renewal for 2027!
- The program has been shortened to only the month of October. Let's keep it short, sweet, and successful!

Program Dates
October 1- October 31

5 Skills for Success

Girl Scouts who participate in the Fall Product Program develop the following skills:

Goal Setting

Decision Making

Become a Cookie Captain - Lead, Inspire, Make a Difference!

The Cookie Captain Program invites passionate Cadettes, Seniors, and Ambassadors to step into a fun, hands-on leadership role during cookie season. As mentors to Daisy through Junior Girl Scouts, Cookie Captains bring the spirit of sisterhood to life—guiding younger girls through the exciting world of entrepreneurship.

By teaching the Five Essential Skills—Goal Setting, Decision Making, Money Management, People Skills, and Business Ethics—you'll help shape future leaders while growing your own confidence and communication skills.

Plus, you'll work alongside your Service Unit Cookie Champions to create an unforgettable cookie experience for everyone. It's not just leadership—it's legacy. A special cookie training is required, November 14 – 16, 2025.

Ready to lead the way? Step up and become a Cookie Captain!

Sunday, April 12th

We're in search of service opportunity sites!

Do you have a business or organization with a service opportunity for Girl Scout members? Let's chat! Complete our [PDOS Site Interest Form](#).

Join us for the 5th Annual Peninsula Day of Service!

Peninsula Day of Service is an opportunity for our members to come together to make a difference in their community!

New this year:

Time with GSCB: 19 Years

In my downtime, you'll often find me soaking up the sun by the beach—or even just by the pool—spending quality time with family and friends. I also enjoy unwinding with a good book, getting creative with stamping, playing games, and dancing whenever there's a good beat!

Favorite Girl Scout Cookie: Samoas

Time with GSCB: 5 Years

I have been a Girl Scout, Volunteer, Co-Leader, and most importantly Girl Scout mom! After years of management and non-profit development & outreach roles, I am grateful to be here at GSCB - with an organization that was already a huge part of my family's life! In my spare time you can find me out in nature whether that's hiking, camping, or kayaking and paddle boarding throughout DE, MD and PA waters.

**Lauren Wells**

Director of Marketing, Communications, and Development

Favorite Girl Scout Cookie: Samoas

Time with GSCB: 5 Years

I'm a lifetime Girl Scout. I love reading, board/card games, baking, eating ice cream, and traveling. I spend most of my time chasing around my 2 year old son and our pug, Luna.
