

GSCB Recruiter Patch Program

Exciting news! Girl Scouts of the Chesapeake Bay is excited to launch our Recruiter Patch Program, open to Girl Scouts of all ages across our council.

There are two fun ways for Girl Scouts to earn the Recruiter patch:

1. Recruit a new Girl Scout (they don't have to join your troop - they can join any troop in any service unit). They must be new to Girl Scouts and not a lapsed member.
2. Participate in a recruitment event.

Volunteers - We Didn't Forget You!

We know many of you are passionate about growing our movement, and now you can earn the patch too!

1. Recruit a new adult volunteer (they don't need to join your troop - they can join any troop in any service unit). They must be new to Girl Scouts and not a lapsed member.
2. Participate in a recruitment event. We encourage you to coordinate with your region's New Member Engagement Specialist.

Let's grow Girl Scouts together - one recruit at a time! Once you've completed the patch requirements, use the QR code or link below to request your patch.

*This program officially launched on August 1st, 2025. To qualify for the patch, new members and recruitment event participation must occur on or after that date.
